Keep Exploring:

[Daria Music Activities](#) – This artist traveled the world performing, and connects children to different cultures through music. On this webpage, you can hear different instruments and create instruments from cultures around the world!

[Zibiwing Center](#) – Our neighbors at the Zibiwing Center have lots of resources for parents and educators to help teach children about the history of the Saginaw Chippewa Indian Tribe of Michigan.

Use this [random country generator](#) to explore a new country! Research the country with your camper and learn more about the people that live there. One great way to explore a different culture is through food. What traditional dish is your random country known for? Make that dish for family dinner this week for a tasty new experience!
