TAKE A MOMENT TO EXPLORE

the world of creative camps available to your child. Summer camps are a great way to build confidence, discover hidden talents, and explore their passions!

- / Participating in theatre at a young age builds speaking skills and inspires confidence in young learners.
- / Early introductions to science, technology, engineering, and math builds critical thinking skills and curiosity-driven learners.
- / The fine arts and music develop fine motor skills and problem-solving abilities.
- / History-based activities promote understanding and context for the world around us.

Please note that our Center building on West St. Andrews will be under construction in the Summer of 2024.

- / Drop-off locations are subject to change as we work through the construction process.
- / We will keep you up to date on camp locations via email.
- / A monthly camp e-newsletter will be sent to parents and guardians with everything you need to know before your camper arrives for the week!
- / Be sure to check that your email is correct on your registration and that you've added guestservices@midlandcenter.org to your contacts, so you don't miss important communications!

All refunds requested by camp registrants will be subject to a 15% processing fee. All refund requests must be made by the Monday prior to the camp session start date. If a refund is requested following the refund deadline, we will issue you a voucher to be used on upcoming summer camp sessions.

Parent Information

A confirmation will be given to you that will include a parent agreement, medical consent form, and code of conduct; these should be completed and returned as soon as possible via email or in person.

After MAY 23, our Summer Camp Newsletter will be e-mailed to families with information regarding pick-up and drop-off details, what to bring, what not to bring, and other pertinent information.

Supervised Lunch and Snack

12 PM – 1 PM

Students enrolled in a full-day camp or a concurrent morning and afternoon session will enjoy supervised lunch between 12 PM and 1 PM daily.

Campers must provide their own sack lunch. We ask that you do not include nuts in your packed lunch. Supervised lunch is not available for campers enrolled in a single half-day camp.

All campers will be offered a snack in the morning and/or afternoon. Snacks are nut free. However, snacks are not guaranteed to meet all dietary needs. If your camper has dietary restrictions, we ask that you pack a snack.

Art From the Heart Scholarship Fund

Midland Center for the Arts wants every child to be able to participate in camps, and we understand that the cost of childcare can get overwhelming.

Scholarships are available to cover up to 50% of your child's summer camp tuition. Scholarships are limited and applications are reviewed in the order which they are received, so early application is recommended! Apply today at midlandcenter.org/scholarships

Forms are available online or may be picked up at the Ticket Office. For more information, please call our Ticket Office at 989.631.8250.
