# BLUE MAN GROUP

BLUE EVOLUTION  
WORLD TOUR

BROADWAY'S BEST  
NATIONAL TOURS!

## Blue Man Group

JAN 30, 2026 / 7:30 PM

JAN 31, 2026 / 2 & 7:30 PM

FEB 1, 2026 / 1:30 & 6:30 PM

Blue Man Group performances are a celebration of human connection. Mixing art, music, comedy, and state-of-the-art technology, the show encourages audiences to reconnect with their inner (and outer) child and see the world through a new perspective. Three bald and blue men explore our cultural norms with wide-eyed wonder, poking fun at our collective quirks and reminding us how much we all have in common.

Blue Man Group is not just a show featuring three bald and blue men, it's a total immersive experience. We think of the Blue Man as an "everyman" – he really holds a mirror up to us and our culture and helps us laugh at ourselves a bit, and see ourselves and our world a bit differently. The real goal of any Blue Man Group show is to celebrate all that we have in common as human beings—to celebrate our curiosity, our creativity, and our need for community.

"KNOW YOUR OWN HAPPINESS."

When tragedy strikes and leaves the Dashwood sisters penniless and socially vulnerable, they must navigate a world in Regency England where love is ruled by wealth and gossip reigns supreme. Practical Elinor and passionate Marianne find themselves caught between romance and heartbreak, decorum and desire, as they struggle to secure their futures in a society that offers women little power over their own lives. Bursting with humor, wit, and bold theatricality, this highly-acclaimed adaptation of Jane Austen's beloved novel brings the timeless story of love, loss, and sisterhood to the stage.

Adapted by Kate Hamill, based on the classic novel by Jane Austen

In the history of Jazz music, there is only one bandleader that has the distinction of having his orchestra still performing sold out concerts all over the world, with members personally chosen by him, for nearly 40 years after his passing. Pianist and bandleader William James "Count" Basie was and still is an American institution that personifies the grandeur and excellence of Jazz. The Count Basie Orchestra, today directed by Scotty Barnhart, has won every respected jazz poll in the world at least once, won 18 Grammy® Awards, performed for Kings, Queens, and other world royalty, appeared in several movies, television shows, at every major jazz festival, and major concert hall in the world. This great 18-member orchestra is still continuing the excellent history started by Basie of stomping and shouting the blues, as well as refining those musical particulars that allow for the deepest and most moving of swing.
